

We are a charity providing new school uniforms to families experiencing financial hardship in South Ayrshire

We work on a referral basis and work closely with South Ayrshire Foodbank, Home Link, Barnados, SeaScape and various agencies within South Ayrshire council who send us referrals and we supply what's needed.

Anyone who is in a trusted position or in an organised group can refer a child to us. Here's how...

1. Send us a message with the following information;

- Name and address for items to go to
- Sizes/ages/gender/school colours
- any special items required ie blazer / gym kit

That's it, one step we'll sort the rest.

For any further information please contact
